With a different theme each day, campers are busy learning about animals, plants and nature, history, science, crafts, and food. With fun and games of all kinds, special guests, and creative endeavors, our campers are assured of a wonderful and entertaining summer experience. Eight weeks are available this year, (Tot Camp will only be held for the first seven weeks). Week two will be four days. Every camper gets a special limited edition farm T shirt. Our **Kinder Kamp** group is specially designed for early school aged children and we maintain a 6:1 camper to counselor ratio with this group. Ages: entering Kinder-6 years.

All of these groups will be in close proximity to one another and we are sensitive and flexible with siblings and friends who wish to interact with one another.

Our **Explorer** group follows children through most of their elementary years. It is the largest group of campers and they participate in a range of exciting farm, nature and craft experiences. Ages: 7 to 12 years.

Before and After Care Available! 8-9AM or 4-5PM
In addition we offer a **Counselor In Training (CIT)** program for select 15 and 16 year olds who apply and meet our criteria. (Call for information) With a minimum 3 week full day registration (or six weeks 1/2 day registration) and an extended day, 8:30-4:30 (8:30-12:30) this certification program will give CIT's the necessary training and experience to be able, upon completion, to apply for work as a paid camp counselor after two years (or at age 18).

The **Senior** camp group is designed to accommodate our 12-14 year old campers. These older campers will assist counselors, have more responsibility with farm chores, extended craft projects, and they will be encouraged to participate in creative independent and group presentations.

TOT CAMP 3 - 4YRS. SEVEN WEEKS AVAILABLE

Our week-long morning program (9AM-12) for pre-schoolers is back for the seventh great summer! Run simultaneously but separately from our regular camp for weeks 1 through 7 only. This active hands-on program will surely delight your three to four year olds as they experience and learn about the animals and plants of the farm. Crafts, snacks, music, and lots of fun will be had by all. Classes are small, so register early!
