

Spring 2012 Courses at Benner's Farm

Weekday Farm Courses

These popular four-session early and late spring programs meet for one hour per week.

Mommy and Me Our popular program for two and three year olds in which parent (or care giver) and child explore their senses as they learn about the farm by seeing, touching, smelling, hearing, and even tasting. A snack, a song, and an activity complete the fun of each session.

Farm Fun is for young farmers aged four to six. Meet and learn about a new animal each session. Learn about spring on the farm by growing plants, and holding and feeding farm babies.

Down on the Farm Boys and girls seven on up learn about farm life through hands-on experience with animals, gardens, and chores. This spring we will study baby animals, incubate and hatch eggs, plant seeds, and grow food. This active hour reinforces responsibility and group cooperation.

Each course meets for 4 weekly sessions, \$65

Spring Break Fun...on the farm!

School age children (Kindergarten and up)

Come spend a week in April joining the outdoor fun we have planned here on the farm! Kids will start seeds for their own gardens, watch chicks hatch from eggs, help with farm chores and care for the new little goats and lambs, play lots of games, make unique crafts, enjoy tractor rides and trips to the big swing. The days will fly by and the memories will last for years to come! (9a.m.-1p.m. \$200/week or \$50/daily) April 9th - 13th

Saturday Morning Workshops for Kids & Adults

These workshops will provide hands-on activities, crafts and instruction centered around specific areas of the farm.

Bunny Blast (kids 4 and up), April 7th

This hands on bunny workshop allows children to hold and snuggle with some of our new baby bunnies. Children will learn about the care and feeding of rabbits, make a soft bunny craft and more. Taught by Judy Wilson 10-12 \$35

Barnyard Babies (kids 3 and up), April 14th & May 12th

Our popular introduction to the new baby animals on the farm will run twice. Children will be introduced to all of our baby animals and discover what they eat, how they grow and how we take care of them. Choose the best one for your schedule. Taught by Angela Montana 10-12 \$35

Eat Dirt You Worm! (kids 5 and up), April 21st

Learn about worms: what they eat, how they live, why they are important to us. They will study composting and make their own starter compost with real red wigglers. Taught by Judy Wilson 10-12 \$35

Ready, Set, Grow (kids 7 and up), April 28th

Children will discover how seeds germinate, the process of photosynthesis and the importance of plants in our world. As soil sleuths we'll discover living organisms which help plants grow. Children will make several seed related projects. Taught by Paula Bivona 10-12 \$35

Caterpillars & Critters (kids 3 and up), May 5th
Make and take home a foot long caterpillar that will grow into a flower garden. Learn about the bugs and critters that live in the garden. Taught by Judy Wilson 10-12 \$35

Katie's Puppets (grades K-6th and up), May 19th
This hands on workshop teaches students the basics of puppetry, will help to create several of their own puppets and show how to use them. Materials will be provided, fun will be assured. Workshop attendees and their parent are invited to 1:00 performance. Taught by Katie Polk \$35

Sensational Strawberries (kids 4 and up), June 2nd
Join us as we hike to the strawberry field, pick ripe fruit and make delicious goodies to eat, take home and enjoy. Help transform our delicious strawberries into jam, ice cream, cupcakes and more. Two sessions. Farm Staff, 10-12 & 12:30 -2:30 \$35

Workshops for Adults

Seed Planting for Early Spring March 10th
Learn about open pollinated early weather veggies, herbs and edible flowers, then plant their seeds and take them home to start your own garden. Paula Bivona 10-12 \$35

Planting the Seeds of Summer April 21st
Learn about open pollinated early summer veggies, herbs and edible flowers, plant their seeds and take home a flat to start your own garden. Paula Bivona 10 - 12 \$35
