

# Fall 2017 Courses at Benner's Farm

## Weekday Farm Courses

These popular four session fall programs meet for one hour per week. \$65

**Mommy and Me** Our popular program for two and three year olds in which parent (or care giver) and child explore their senses as they learn about the farm by seeing, touching, smelling, hearing, and even tasting. A snack, a song, and an activity complete the fun of each session.

**Farm Fun** is for young farmers aged four to six. Meet and learn about a new animal each

session. Children will learn about the harvest and preparing for winter on the farm.

**Down on the Farm** Boys and girls seven on up learn about farm life through hands-on experience with animals, gardens, and chores. We will learn about the fall garden, the harvest and preservation of foods. This active hour reinforces responsibility and group cooperation.

Look on the backside for Session choices, dates and times.
